

Trail Map 2023

- Gate (no cars)
- Paved road
- Dirt road
- Trails
- Campsite
- Beginner
- Intermediate
- Advanced
- Expert
- Science Center

Remainder: Please turn off your electronic devices while on site. This includes cell phones (which don't work here anyway!), wireless odometers, heart rate monitors, 2-way radios, and wireless networkcards on your laptops. We also ask that you refrain from digital photography and videophotography/recording while on site. Simple film cameras are welcome and sold in the science center.
